Dear patients of PFMC,

I hope this letter finds you well. It is with mixed emotions and a heavy heart that I write to inform you that I will be transitioning out of my role at PFMC, effective June 26<sup>th</sup>, 2024. I am thankful for the trust and confidence you have placed in me as your healthcare provider and it pains me to part ways.

Due to a family move, I will be relocating to Lynden, WA in the coming months. This decision was not made lightly, as I have cherished the relationships built with each of you over the years.

If you have been granted an exemption from membership, this will unfortunately expire with my departure. You will have the option of joining the PFMC membership or establish with a new provider elsewhere. MultiCare Primary Care and Franciscan Primary Care both have clinics in Gig Harbor. I want to assure you that your medical care remains my top priority during this transition.

I am grateful for the trust you have placed in me as your healthcare provider and for allowing me to be a part of your journey. It has truly been an honor.

If you have any questions or concerns, or need assistance finding a new healthcare provider, please do not hesitate to contact me or the clinic. I am here to support you during this transition in any way I can.

Thank you for your understanding and support, I will miss each one of you!

Sincerely,

Mea Scott, ARNP
